

Annual Young Artists Showcase Guidelines

2018 THEME: The Art of Diplomacy

Sister Cities International aims to promote peace through mutual respect, understanding, and cooperation – one individual, one community at a time. This year's theme, **"The Art of Diplomacy,"** showcases the importance of both institutional and citizen diplomacy efforts to achieve peace. How do students see the positive effects of diplomacy in their everyday lives? Artists are encouraged to draw inspiration from their experiences with sister cities, travel, exchange, international friendships, and their own goals to present their vision of the art of diplomacy. Students are encouraged to think beyond the traditional images of shaking hands to represent diplomacy and peacemaking.
