No

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Sincerely,

Director, Exempt Organizations

Sales Tax Exemption Account Number 98004287

The Department of Revenue has granted your organization a sales tax exemption to be used when purchasing items exclusively for the specific charitable or non-profit activity for which the exemption has been granted. The organization's sales tax exempt status does not apply to items of tangible personal property sold to or used by individuals. Your certificate will follow under separate cover.

A charitable or non-profit organization must pay sales tax when purchasing tangible personal property that will later be transferred to an individual for personal use if the organization will be reimbursed for all or part of the purchase price through direct payment, donation, or proceeds from games of chance. If the sales tax is not paid to the vendor (whether outside or inside Colorado), the organization must remit the tax directly to the Department of Revenue.

Only activities that are an integral part of your charitable or non-profit purpose qualify for the sales tax exemption. Therefore, organizations must pay sales tax on items such as food, books, CDs, and religious materials when these items are to be sold to or consumed by individuals who pay for them directly or indirectly. The fact that proceeds from such sales are to be used for charitable or nonprofit purposes does not make the sale exempt from tax. In addition, activities such as conferences, retreats and seminars are taxable when the individual participants pay directly or indirectly for lodging, meals and other expenses, whether through donations, dues, registration fees, tickets, or tuition. For more information, visit the Department of Revenue website at www.TaxColorado.com for FYI Publications, Sales 2.

If you have further questions, call 303-238-7378.

Respectfully,
Colorado Department of Revenue
