AURORA MUNICIPAL CENTER  
15151 E. ALAMEDA PARKWAY  
AURORA, CO 80012

**FREE**  
**Admission**  
**SCHOLARSHIPS FOR TRAVEL!**

Students, do you like learning about local, national, and global issues? Do you see areas in our community and world that you want to change? Do you want to use your voice to create positive change in the world? Then, this summer program is for you!

Join Aurora Sister Cities International for a unique addition to the Global Youth Leaders Pipeline Program. This new summer session, Local Leadership in a Global Community, is designed to engage youth in local government, so they develop leadership, communication, and civic engagement skills to be effective agents of change in our community.

Like the first summer session that you participated in, this will be a fun and eye-opening week of activities that will engage you and help you grow as a leader. There will also be an opportunity to earn gift cards and future travel opportunities to our sister cities around the world.

### Who Can Apply?

During the school year, students also have opportunities for monthly volunteer service-learning and leadership, communication, and mental health and wellness workshops.

Students may also apply for scholarships to attend the nationally renowned Sister Cities International Youth Leadership Summit, which brings together students from diverse backgrounds and countries as well as some of the world's top business leaders, policy officials, lobbyists, diplomats, and academics. This conference is an incredible opportunity for students to build their networks and their college resumes. For more information on the Youth Leadership Summit, visit the Sister Cities International website at [SisterCities.org/YLS](http://SisterCities.org/YLS).

Though the program is not limited to Aurora Public Schools students, any Aurora Public Schools student who participates in the program will be able to collect badges as part of an APS program that recognizes students' academic advances outside of the classroom and rewards them for it by considering their extracurricular activities as qualifications for jobs and/or college admissions.

## OUR MISSION:

Aurora Sister Cities International promotes local and global partnerships centered on cultural, educational and best practices exchange, cultivating a network of community ambassadors who champion peace and prosperity around the world.
